Principal's Message

Dear Parents and Caregivers,
Hope everyone is well and getting ready for Spring which is just around the corner. We are in week 6 already and we have been very busy. Last week we had Mark and Pi working with staff on improving their Numeracy skills. Mark and Pi worked with students and showed us all some new and innovative ways to learn maths. We would like to thank Mark and Pi for their continued support of the school.

A reminder to parents that tomorrow is a student free day. All staff will be travelling to Yalata for a group moderation day. Thank you for your support. Notes for the middle primary and upper primary camp to Port Lincoln have been sent out. Please ensure these are returned to school as soon as possible. Next week the school will be travelling to Crossways Lutheran School for a performance called 'Little Red Robyn Rood'. Should be a great day. Please ensure notes are returned promptly. We would like to thank Crossways for organising this event.

Today we have our Education director Tammy Williams, Preschool Director Helen Leo and Principal Consultant Mitchell Ollington visiting. We would like to welcome these guys to Koonibba. We have been talking about Literacy and numeracy at our site and the ongoing achievements of students. They have been very happy with our direction and work we are doing with students across the school and preschool. We have organised swimming lessons at Ceduna Area School pool for week 1 of term 4. We will be handing out notes in week 10 of this term.

Attendance has been very strong this term which is great. Thanks to RSAS team for their support and parents and caregivers for supporting their child to be at school on time every day.

Students have been doing Sports Day training leading up to the big day in week 10. We have a new sport this year, high jump, which is sure to bring lots of excitement. Students are already showing how to jump correctly by using the 'Fosbee Flop' technique. Well done guys.

In week 4 the junior primary class headed down to Streaky Bay for an excursion. It was a great trip and students had a fantastic time. Hopefully next time the wind will stay away.

Regards
Wade Branford
