Principal's Message

Dear Parents and Caregivers,

Hope you are all well and had a great break. The weather is fining up and lets hope we are in for a great summer.

We have started off the term running!

We had swimming lessons in the first week and Ceduna Area School Pool. Unfortunately, they had technical issues on Tuesday and we could not swim. No matter, the children had a great 3 days improving their swimming techniques. Students were well behaved and followed instructions well. Big thanks to Amanda Hoffrichter for running the lessons.

This term we are running fortnightly rewards for good attendance, behaviour and trying hard in class. Some students will go fishing or on short excursions, others will do some cooking, hair styling and technology. You may receive an excursion note for this Friday.

Last term we had our end of term awards.

Congratulations to Noah Peel who won the student of the term in the preschool. Nickylah Gray in the reception class, Reshawn Milera in the middle primary class and Jaysharna Coleman in the upper primary class. Well done everyone on a fantastic term you earned you award. Keep up the great effort.

In the last week of term, we had Sports Day. It was again a very successful day and we are very proud of how students performed and conducted themselves.

At the end of the day, we had several sports stars who received awards for their efforts. Congratulations goes to Madison Peel-Saunders, Jahmarri Ware, Jaysharna Coleman, Travis Wanganeen, Monica May and Gerald Peel-Williams. Well done! You did your teams proud!

At the end of the term, we had half the school with over 90% attendance. Great stuff! Thanks to all parents, caregivers, the RSAS team and students for coming to school regularly. The children benefit greatly from consistent attendance.

For the last 2 terms, students who are receiving rewards for good yard behaviour are now able to get a t-shirt or a jumper. Thanks to Corey and the RSAS team for organising this. It is great to see so many students wearing the school uniform.

Next week the preschool students will begin their transition into the school. An exciting time ahead for the students and we wish them all the best in their new life journey. If you would like to know more on the process, please contact the school.

Let's have a great last term!

Regards,

Wade Branford
