Principal's Message

Dear Parents/Caregivers,
Hello to you all. Weather is
Starting to warm up which is great.
I think we will definitely have a
Beach day before the end of the
Year.

We have had some exciting times at school
with our new technic Lego. Students have
been creating machines and then they are
using a program to code the movement of the
machine. Students are having a great time
experimenting and seeing what movement they
can create.

The middle primary class have recently
completed some great work on earthquakes.
Through experimentation the children identified
which materials worked best for build a house
when an earthquake hits. It was great to have
students explain what they thought was the
best and how they came to their decision.
Our attendance has been low due to families
being off the mission. Thank you to all parents
and caregivers who are making sure children
are coming to school every day. Can we
please make sure that students are at school
by 8:45 so they don't miss reading in the
morning.

Last week I attended a leaders conference led
by Shelley Wild. It was a good couple of days
with lots of new ideas for our site.

It has been great to see our preschool students
doing so well with their transition. I have been
watching the students settle in quickly. They
are listening well, following instructions and
having a great time in the class. Well done
guys, keep up the positive attitude in school.
Big thank you to Darryl and his team who have
been working tirelessly to ensure students are
at school and fed. Another big year by the
RSAS team and we all thank you for your great
work.

We are moving into the last 4 weeks of the
school and we have lots coming up, most
importantly the end of year Christmas concert.
Lots to look forward to.

Regards,
Wade Branford

School Calendar

Week 6

Tuesday 21st Nov. – Rosemary Marianne,
Behaviour Consultant.

Thursday 23rd Nov. – Jenni Shore, Hearing

Friday 24th Nov. - Mr Branford SSASA

Thursday 13th Dec. – Last day of school

Monday 29th Jan 2018 – First day of Term 1

Dental Clinic

Monday 27th Nov– Friday 1st Dec

Monday 11th Dec– Friday 15th Dec

Travis Wanganeen	Jahmarri Ware

Save the Children[®]

Community Feedback

What activities do you think will support strong wellbeing and learning for local children and families?

Save the Children run programs to assist children and families. We would like your opinion about what programs and services are important to you and if we, or other organisations, can offer these.

This short survey will help us with planning and advocacy. You can choose to participate anonymously or you can put your name if you want to be more involved.

WE CHOOSE TO CARE

There is nothing quite as satisfying as making a real and positive difference to a young life.

Whether it's a weekend, a week in the school holidays, a fortnight, a month or longer, any amount of your time could make a difference.

If you think you could help a child or would like more information, contact
