

2023 School Improvement Plan Summary

KOONIBBA ABORIGINAL SCHOOL

Goals	Targets	Challenge of Practice	Success Criteria
To increase reading achievement.	2022:	If we intentionally design synthetic, systematic phonics instruction by explicitly teaching blending and segmenting then we will improve student's reading achievement.	Yr 1: Each student will blend short vowels, common long vowels, consonants and digraphs to read one-syllable words and two-syllable words with common letter patterns. Yr 3: Each student will read fluently, using phonic, morphemic and grammatical knowledge to read multisyllabic words with more complex letter patterns. Yr 5/6: Each student will spell using phonic, morphemic and grammatical knowledge.
	2023: Phonics Screening Check: increase the average student word score to 15. Yr 3 NAPLAN 1 student to achieve SEA in reading. Yr 5 NAPLAN all students show growth in reading. PATR 12 month growth for all students.		
	2024: Phonics Screening Check: TBA, cohort dependant goals to be identified. Yr 3 NAPLAN TBA, cohort dependant goals to be identified. Yr 5 NAPLAN TBA, cohort dependant goals to be identified. PATR 12 month growth for all students.
